Jan LeBeau, RDH, BS

Jan LeBeau has over 30 years as Clinical Dental Hygienist Working with private dentists and large DSO's. She has held positions including Chair of Dental Hygiene and Vice President at two of the most prominent DSO's in North America. She previously served as the Committee Chair of Laser Safety for the Academy of Laser Dentistry.

Jan is a Nationally recognized as a Key Opinion Leader and speaker and Published author.

She has trained over 2,000 hygienists in the use of diode lasers and has published articles and spoken nationally on the safe and effective use of soft tissue lasers by the dental hygienist.

Laser Use and Safety in Dental Hygiene

"Laser Certification"

Jan LeBeau RDH BS will lead attendees through the exciting world of lasers in dentistry and periodontal therapy. This course follows the guidelines of the Academy of Laser Dentistry for a Basic Proficiency Laser Certification and the American National Safety Institute for Laser Safety. This hands-on course will cover laser safety, laser physics, tissue interaction and communication skills as well as hands on techniques for success with laser periodontal therapy. Upon completion of this course participants will have an understanding of the value laser therapy brings when used as an adjunct to scaling and root planing and be able to apply laser concepts and techniques immediately, **including tips for laser coding and billing.**

Bonus Includes steps on how to present to patients and codes and how to utilize codes.
